

Court Track

MONDAY

11:15 AM – 12:00 PM

Go Green: DocuScan Integration & Mugshots

It is the 21st century, do you know how much money you are wasting storing paper files? Learn how others are using document management in the court and probation office, including viewing mug shots in Case and incorporating them into documents. Learn what is in the next release of DocuScan, the benefits of AutoFiler and much more.

1:00 PM – 2:00 PM

Get It Done: Quick Docket Standard Text & Auto Docket

There are many features available in the CMI Court system that can help you to get your job done more quickly. Learn from your colleagues how they maximize AutoDocket and Standard Text features for streamlining data entry and production of documents.

2:00 PM – 3:00 PM

One Stop Shop: Web Payment Rules

Learn from colleagues how Central Pay Plans are addressed through web payment rules and how they address the issue of convenience fees.

3:15 PM – 4:30 PM

Get Them In and Get Them Out

Learn how to create efficiencies through the use of master and retrieval codes, forms and judge assignments. This is an opportunity to learn from and share efficiencies with each other. Examples: Domestic Violence Forms, Retrieval Codes, BMV Non-resident Violator and Judge Assignments.

TUESDAY

9:15 AM – 10:15 AM

Keep It Civil: EOM Reports

Reporting is a critical element to your court operations. This session will review the EOM Reports that are available within the CMI Court system. Provide and hear feedback as to which reports are most useful and why. A CMI Court Support Specialist will be available to review the reports and to answer your questions. Also, we will discuss the status of Civil.

10:30 AM – 11:30 AM

Open Session and Potpourri Topics

Based upon interest, potpourri topics may include an update on CourTools Performance Measurements, CMI's check printing solution and email notification.
